

Curbside Schedule Change - March 13

Advanced Disposal Customers

During the week of March 13, Advanced Disposal's residential waste and recycling curbside service customers **MAY BE** affected by schedule changes. Residents affected will be receiving a **MAILED** information card during the week of March 6. The information card will indicate the weekly garbage collection day and which week the biweekly recycling collection will occur. Customers not receiving a mailed information card will not experience a change.

For notifications and information about residential service, unincorporated county residents are encouraged to download the **Lexington County SC Solidwaste** app, available for iPhone and Android users for free, and **enable notifications**.

Recycling biweekly Schedules (A or B week)

- Week **A** - begins **week of March 13** and every other week thereafter
- Week **B** - begins **week of March 20** and every other week thereafter
