MEMORANDUM

TO: Planning and Administration Committee
Lexington County Council

THROUGH: Katherine Hubbard, County Administrator

FROM: Ronald T. Scott, Community Development Director

DATE: January 28, 2011

RE: FY 2011-12 Community Development Block Grant (CDBG) Program
FY 2011-12 HOME Investment Partnership Program

The United States Department of Housing and Urban Development (HUD) has not yet notified the County of its FY 2011-12 allocation for the CDBG and HOME Programs. The federal government is operating on a continuing resolution until March 4, 2011, and we hope to know an exact allocation amount by April 2011. In FY 2010-11 we received \$1,630,118 for the CDBG Program and \$634,481 for the HOME Program and our project recommendations are based on the same level of funding.

For FY 2011-12, the CDBG Program received 25 requests for funding totaling \$3,361,856. All requests were thoroughly reviewed and evaluated by the Grant Programs Division staff and the Grant Programs Advisory Committee. After preliminary rankings, staff also evaluated the general project feasibility and the capacity of the applicants to administer programs according to federal guidelines. Attached is a summary of project funding recommendations for the FY 2011-12 CDBG and HOME Programs. All HOME projects will be administered internally, with the exception of the required set-aside for Community Housing Development Organizations (CHDOs).

It is County Council's authority to approve any proposed projects or combination of projects that total the amount of available funds. Funding for approved projects will not be available until after July 1, 2011, and will be provided on a reimbursable basis after staff review of supporting documentation.

We request County Council's consideration and approval of the proposed CDBG and HOME projects so that we may proceed with developing our annual Action Plan, which is due to HUD by May 15, 2011. The projects you approve will be listed in our Action Plan and will also be considered approved for the purposes of the County's FY 2011-12 budget

Requested Action: Committee recommendation to County Council for approval.

It is our recommendation to award this project to R & T Grading, Inc. as the lowest bidder for a total amount of \$276,183.10.

County funds are appropriated in the following account:

The bids were evaluated by Eddie Turner, Assistant Chief of Fire Service; Brian Hood, EMS Director; and Jo Marie Brown, Procurement Officer. It is our recommendation to award the project to the lowest responsive, responsible bidder – Newton Fire & Safety in the amount of \$52,943.60.

EMS & Fire Service are funding an equal portion (50%) of the cost which totals \$26,471.80 each.

County funds are appropriated in the following accounts:

4440-131400-5AB512 (EMS)	(1) Extrication Power Tool	\$35,000.00
1000-131500-5AB515 (FS)	(1) Extrication Power Tool	\$35,000.00

I concur with the above recommendation and further recommend that this bid be placed on County Council's agenda for their next scheduled meeting on February 8, 2011.
