Lexington Begins Ambulance Service

The Lexington County Ambulance Service officially began operation this morning at the Batesburg Medical Center.

This service covers all of Lexington county and is taking over the responsibilities of Carolina Ambulance within the county.

John Driggers is the director of the new service.

The telephone number for ambulance service is 359-5106. Citizens in the Swansea-Pelion area can call 568-2188, Batesburg-Leesville call 532-3098 and in Chapin area call 345-5066.
