Dear Lexington County Fire Service:

The magic created through wishes is only made possible through the support of friends like you who have joined in our mission. Your donation from Battle of the Badges helped grant wishes for children like Brantley. I have enclosed his wish story.

Your gift helps contribute to these important, life- changing experiences in the lives of children like Brantley who face life-threatening medical conditions. Through your generosity, and the generosity of others like you, Make-A-Wish South Carolina will grant 155 wishes this fiscal year.

I hope you enjoy reading about Brantley's wish! We thank you for all you do to *share the power of a wish*® and we look forward to the 2015 Battle of the Badges!

Sincerely,

A handwritten signature in black ink that reads "Mary".

## "I wish to go to Walt DISNEY World® Resort!"

Brantley, Age 3

Brantley is a three-year-old from Gilbert, South Carolina, who is battling a metabolic disease. Brantley loves the color green and, like many young children, adores Disney. His wish was to travel to *Walt DISNEY World® Resort* to meet the characters.

Brantley, along with his mother, grandfather, and grandmother, traveled to Florida, where they stayed at Give Kids the World Village, which Brantley kept referring to as "his yellow house." The family visited *Magic Kingdom®*, *Epcot®*, and *DISNEY's Hollywood Studios™*. Brantley's favorite park was *Magic Kingdom®*, where he was able to meet many characters, including his favorite, Buzz Lightyear. Brantley also enjoyed seeing a fireworks show. The family's trip included a visit to *SeaWorld®* as well.

Overall, the trip to Florida was filled with fun activities and helped create memories that will last a lifetime for Brantley and his family.
