Price Increases Effective Oct. 1 in Four of Lexington County’s Seven Curbside Waste Collection Districts

Effective October 1, 2019, customers who live in Curbside Waste Collection Districts 2, 3, 4 and 7 (see map provided) and who subscribe to curbside collection service will experience a slight rate increase as shown below. The increase in rates reflects a CPI increase in expenses experienced by GFI-Waste Industries, which provides curbside collection services for these districts. The increase was requested by the service provider as outlined in their contract.

Curbside Waste Collection District	Current Rate Per Quarter	New Rate Per Quarter	Increase Per Quarter
District 2	\$55.95	\$57.31	\$1.36
District 3	\$47.94	\$49.11	\$1.17
District 4	\$55.95	\$57.31	\$1.36
District 7	\$59.22	\$60.66	\$1.44

Customers with questions about billing or service should contact GFI-Waste Industries at (803) 935-0249. Customers with questions about District boundaries should contact Lexington County Solid Waste Management at (803) 755-3325 or visit Lexington County’s Solid Waste Management website at <https://lex-co.sc.gov/departments/solid-waste-management>.
